 General Dean C. Strother
 Commander in Chief
 North American Air Defense Command
 Ent Air Force Base
 Colorado Springs, Colorado

Dear General Strother:

I wish to thank you for the highly informative and professional briefings given by officers of your Command to a visiting Central Intelligence Agency group on 19 October 1965.

Colonel C. P. Gould arranged a program which admirably suited the needs of our personnel and reflected credit upon the North American Air Defense Command. To General Griffith and all of the participating officers we extend our sincere appreciation. Particular thanks are due Lieutenant Colonel Dellinger and others responsible for the visit to the Combat Operations Center at Cheyenne Mountain.

I hope that other Agency groups may have the opportunity to visit NORAD Headquarters for similar briefings.

Sincerely,

/s/ Richard Helms
